Agents - please include your email signature (and, if registered with ESI, your securities disclosure) as part of this email when submitting for advertising review and approval. Please note that all disclosures and form numbers that appear must be included in the version you submit for compliance review. Note that you should not include a personal website address as part of your email signature on this marketing unless that site has been reviewed and approved by NLG compliance.

## New Flexible Premium Indexed Annuity From National Life Helps You Save Without Risk.

Hello [Client Name],

If you're looking to grow your retirement savings with flexibility and downside protection, [Flex Secure Growth](#) could be a great fit.

- **Flexible premiums:** Start with as little as \$100/month. Remember: Big wins start small!
- **Upside potential:** Take advantage of market gains to grow savings, tax deferred.
- **Index choices:** Select one or more index crediting options, including a performance trigger option.
- **Downside protection:** Your premiums and interest earned are protected from market risk.
- **Follow your timeline:** Keep your annuity for 5, 7, or 10 years (or longer).

**I'd love to see if this might be a good fit for your retirement goals. Reply to this email or give me a call to learn more.**
